Dear Prime Minister and Foreign Secretary,

On International Human Solidarity Day, we write again to urge you to support the adoption of a UN Security Council resolution calling for an immediate ceasefire.

Across the world millions have been calling for a ceasefire, for peace, for the protection of civilians and expressing international solidarity in pursuit of non-discrimination and justice.

The UK Government has the opportunity to act in solidarity with civil society groups and to call for peace now and to not delay the cessation of hostilities for any longer.

We urge you to do so.

We urge you to take the lead in pressing for immediate and meaningful humanitarian relief to the civilian population in Gaza.

We urge you to facilitate the delivery of food, clean water, medical supplies, fuel, shelter, warm clothing and to end the suffering.

Yours sincerely
